

International Journal of Engineering and Technology

CONTENTS

Volume 11, Number 6, December 2019

• Civil and Construction Engineering

- Urban Flood Scaling Using Hydrologic and Hydraulic Models with Inception for Early Warning 333
Romeji Ngangbam, Amaljit Bharali, and Sonamani Kangjam
- Bim Based Analysis of Time and Cost for Multi Storey Commercial Building 341
M. Gopal Naik
- Gravity-Fed Column Configuration for Acid Mine Drainage Experiment 348
Fitsum H. Solomon, Stephen O. Ekolu, and Innocent Musonda
- Hydrogen Sulfide Production Mechanism and Sulfur Removal Agent Testing and Processing..... 355
Zhou Ruili, Liu Changlong, and Nie Gongzhe
