

# IACSIT International Journal of Engineering and Technology

## CONTENTS

---

---

### Volume 7, Number 5, October 2015

#### • Civil and Environmental Engineering

Elastic Constants of Grout by Ultrasound.....	357
<i>Gisleiva C. S. Ferreira, Luis Guilherme A. Favarin, and Gabriella Macedo</i>	
Geotechnical Materials for Floor Covering: Dioritic Noritic “Granite” Plates Structural Behavior.....	361
<i>Sérgio T. F. Moreiras, Antenor B. Paraguassú, and Rogério P. Ribeiro</i>	
Inspection of Historic Building Facades for a Development of Restoration Project.....	365
<i>Adriana Galletto, José Mario Andrello, and Gisleiva C. Santos Ferreira</i>	
Extensive Green Roofs (Modulars, Continuous and Aerial) Supported on Premolded Concrete Bases.....	370
<i>Tatyane Nadja Martins de Mendonça, Vitor Muniz Henriques, and Aluísio Braz de Melo</i>	
Application of Cluster Analysisin Trip Attraction Models of Campinas Metropolitan Region.....	377
<i>Alexandre Frazão D'Andrea and Maria Teresa Francoso</i>	
Investigation of IAQ in Mechanically Ventilated Kindergartens and Elementary Schools in Korea.....	382
<i>Hyeun Jun Moon, Seung Ho Ryu, and Jeong Tai Kim</i>	
Possible Assessment of Slope Stability by Using Electrical Resistivity: Comparison of Field and Laboratory Results.....	386
<i>Syed B. Syed Osman and Fahad I. Siddiqui</i>	
Geopolymers Studies in Brazil: A Meta-Analysis and Perspectives.....	390
<i>Rodrigo H. Geraldo and Gladis Camarini</i>	
Evaluation of the Effect of Drying and Rewetting Cycles in Eucalyptus Pulps.....	397
<i>Julian E. Mejia B., Juliano Fiorelli, Holmer Savastano Jr., and Lisa Vidil</i>	
Adherence of Granite Plates by Mortar Adhesion: Influence of Temperature.....	401
<i>Rogério P. Ribeiro, Antenor B. Paraguassú, and Sérgio T. F. Moreiras</i>	
Performance Evaluation of Cladding Stone in Buildings and Urban Works.....	405
<i>Flain E., Righi R., and Frazão E.</i>	
Smart Services for Managing Solitary Fall Death in a House of the Elderly Living Alone.....	410
<i>Hyun Soo Lee and Sung Hee Lee</i>	
Development of Resource-Driven Scheduling Model for Mass Housing Construction Projects.....	419
<i>Ar. A. Cindrela Devi and K. Ananthanarayanan</i>	
• Mechanical Design and Data Management	
Design Procedure and Performance Evaluation of a Flat-Jet Twin-Fluid Atomizer by Siphoning Liquid.....	424

*J. F. Yao, K. Tanaka, A. Kawahara, and M. Sadatomi*

TBM Process Data Management System.....431

*P. Moreno, M. Ruiz, and F. J. Gorines*

Degradation of Sucralose by Peroxidation Assisted with Ultraviolet Radiation and Photo-Fenton.....438

*Gabriela F. Ferreira, Milena G. Maniero, and José R. Guimarães*
